You can download/print, complete and scan to one of the emails below.

Please note that you will need to provide a picture or scanned copy of a birth certificate and social security card. Proof of residency documents and a parent/guardian ID are also requirements for student enrollment.

If you do not have scanning capabilities, you can take a picture of the completed forms and email.

OR

If you have an iPhone, you might try using your Notes App to scan needed documents. Simply open your Notes App on your iPhone. Open a new note. Press the camera button. An option to scan document will pop up. Once the document is scanned, you can email it using less bandwidth than sending a picture.

Should you have questions or need assistance, each JISD campus has a registrar that is happy to assist you. The District PEIMS Coordinator can assist you with any questions or concerns you may have, as well.
